Uji Feeding Programme

About The Programme

Bridge International Academies Foundation is a non-profit organisation dedicated to expanding access to quality education for children in underserved communities across Kenya.

In line with this mission, the Uji Feeding Program is a child-centered initiative designed to improve early childhood education (ECD) attendance, and learning outcomes across Kenya.

Through the #OneCupOneFuture campaign, Bridge International Academies Foundation will provide a daily cup of fortified porridge (Uji) to more than 1,000 learners everyday.

In many low-income communities, hunger is one of the biggest barriers to education. A simple, nutritious cup of porridge each morning keeps children in school, focused, and ready to learn.

Programme Goals

Boost School Attendance & Retention

Provide a daily cup of Uji to help pupils stay in school, stay alert, and participate fully in class. **Target: 95%** average termly attendance across participating schools.

Promote ECD Enrolment

Encourage more families to enroll children in early classes. **Target: 100%** of 3+ year old attending ECD classes

Improve Learning & Concentration

A nutritious start to the day improves focus, class participation, and comprehension key to achieving learning goals.

Strengthen Community Trust and Engagement

Work with parents, teachers, and local partners to create a community-driven model that supports every child's growth and education journey

Sponsorship & Partnership Opportunities

01 Bronze Sponsor – KES 260

Your contribution feeds one child for an entire month. It's a simple act of kindness that keeps a young learner energized and present in class every single day.

02 Silver Sponsor – KES 790

Support a child for a full school term. With your help, they can attend school consistently, stay focused, and thrive in their learning environment.

03 Gold Sponsor – KES 2,330

Give the gift of learning for a whole year. Your generosity ensures one child enjoys daily nutrition, unlocking their confidence and potential through sustained nourishment.

04 Corporate Partner – KES 264,000

Feed all ECD pupils for a month. As a corporate sponsor, your organization gains co-branding visibility on campaign materials, social media highlights, and community events.

Impact Snapshot

Meals Served

- To provide a sustainable daily cup of Uji for more than 1,000 pupils across Kenya. This will be achieved by filling 200,000 nutritious cups of Uji to be provided for a whole year.

Retention Rate

- Retention rate increased by **90%** in participating schools. Children are attending classes more consistently and staying engaged throughout the term. Teachers report fewer absences linked to hunger in ECDE and lower primary classes.

Enrolment Growth

- To provide daily nutritious Uji for all pupils, improving attendance by 95%, and boost ECD enrollment to strengthen Primary School readiness.

Impact Story

At Bridge Kinoo in Nairobi, three-year-old Prince Jesse begins his mornings full of hope, curiosity, and a love for learning. But not long ago, his school days looked very different. Each morning, Jesse arrived tired. His eyes told the story of a child trying his best to learn while battling the emptiness of hunger. Concentration was hard, playtime was short, and his once-bright energy slowly faded.

When Bridge introduced the One Cup, One Future Uji programme, everything began to change. A simple cup of warm, nutritious Uji gave him the strength to focus in class. With each serving, he became more attentive, playful, and eager to learn. His teachers noticed the difference right away. His confidence bloomed, his smile returned, and his curiosity came alive again.

Now, Jesse starts each day ready to learn, laugh, and dream. That single cup of Uji has become his daily source of energy, focus, and joy.

For children like Jesse, good nutrition is more than just food but hope served in a cup. Give the gift of learning by sponsoring any number of cups of Uji at KSh 12 each.
